

Westinghouse

INNOVATION YOU CAN BE SURE OF

Dual Mode Lantern

Model: WF86

The Westinghouse WF86 LED Dual Lantern has two light settings: a bright white light to illuminate a large area and a flame light to replicate a torch. Simply lift the top of the lantern to switch from one lighting mode to the other. The metal handles can be used to carry the lantern or hang it for hands-free use. This product is ideal for outdoor activities such as camping, fishing and hiking.

Main Features

- **2 Light Settings**
Bright white LED light and flame effect light
- **Pull Switch**
Pull the top up to change the light setting
- **Long Lifespan**
Energy efficient LED light
- **Economical**
Uses widely available AA batteries
- **Dual Use Metal Handles**
Carry it wherever you go. Hang it wherever you want
